CODE OF CONDUCT

SCOTTISH FA QUALITY MARK
CODE OF CONDUCT- PLAYERS

We all have a responsibility to promote high standards of behaviour in the game. As a player, you have a big part to play. Fair Play and respect for all others in the game is essential. We are asking every player to follow a Code of Conduct to Honour Our Game.

When playing football, I will:

- Always work hard to learn and improve and play to the best of my ability
- Play fairly with sportsmanship and respect to Honour Our Game
- Respect my team-mates, opposition, officials and self
- Play by the rules and always respect the referee
- Value your opposition by playing hard and fair
- Shake hands with the other team and referee at the end of the game
- Lead by example both on and off the pitch
- Listen and respond to what my coach tells me
- Talk to someone I trust or the CFA Inspire and Welfare member if I am unhappy about anything at my club
- Do not use social media platforms to discuss: team mates, players, club and match officials, this may lead to suspension from training and games.

I understand that if I do not follow the Code of Conduct, action may be taken by the club, league or National Association.

CODE OF CONDUCT- PARENTS & SPECTATORS

We all have a responsibility to promote high standards of behaviour in the game. Parents have a great influence on children's enjoyment and success in football. Children play football because they first and foremost love the game – it's FUN. Remember children's football is a time for them to develop and learn. We want them to win but not at all costs. Play your part by supporting your child and observe the Code of Conduct at all times.

I will:

- Remember that children play for FUN
- Applaud effort and good play
- Always respect the match officials' decisions
- Remain outside the field of play or within the Designated Spectators' Areas
- Let the coach do their job and not confuse the players by telling them what to do
- Encourage your child, and others, or be quiet. Praise effort and performance, not results
- Encourage the players to respect the opposition, referee and officials
- Avoid criticising a player for making a mistake – mistakes are part of learning
- Never engage in, or tolerate, offensive, insulting, or abusive language or behaviour
- Parents must develop an appropriate supportive relationship with both the coach and their child based on mutual trust and respect
- Support the coach's decisions and discuss any concerns directly with the coach

I understand that if I do not follow the Code of Conduct, action may be taken by the club, league or National Association.
