EUHV 2 — 0 Central Girls

Too much expectation was placed on the Central girls today, knowing that a win would take them out the relegation zone. However in a game that the Central girls never got going the result was about right. In a disjointed half the nearest anyone got to goal was a penalty to the home side, who managed to crash of the post and away to safety, that should have been warning enough but the performance was flat and never a good side for holding on, the game felt that way for a while, when after almost an hour a header from a set piece was reward for the home sides pressure. Central coaching staff looked at the system of play and although this was the first time for a long while that Central have failed to score, the lack of chances was a concern. The team will be asked to play with creativity and use their skills to prevent opposition possession and to open up their defenses.

SCOTTISH FA QUALITY MARK

Aberdeen travel to Grangemouth tonight to face Central in the latest SWPL fixture, unfortunately we are unable to access Indodrill tonight and have moved the game to Inchyra home for our SWFL side. The grass pitch may give the Dons a slight advantage as Sports City is grass, however the first fixture ended all square with a share of the spoils. Since our last edition we have faced EUHV losing in Edinburgh 2-0 a poor result for us with the gap between relegation and safety opening up. Elsewhere a fantastic result to draw with league leaders

well a couple of weeks back it was a blow. Elsewhere Glasgow were well beaten and halted their recent return to form, the Saints taking a comfortable 3pts. Killie and Hearts drew 0-0 keeping the Ayrshire side in 2nd spot with Hearts looking vulnerable but ahead of the relegation pack. The mid week games usually throw up a shock or two, however Motherwell will look to get back to winning ways at Hearts, likewise St Johnstone will be looking to see off EUHV however a difficult tie for both sides and a draw may be the outcome here. Glasgow face Killie at home and will need to be at their best to take full points. Ourselves against Aberdeen we need to take advantage of the chances created if we are to catch them in the league and move to 7th. Thanks to all our sponsors for their invaluable support of the club.

A view of above from below report by Seymour Clearly

Well it's been quiet of late and nothing too controversial to report back to you. Maybe a discussion on the last Scotland Women's World Cup qualifier I attended courtesy of SWFL thanks, Central Girls as mascots a good crowd waiting in anticipation of the straight forward win we were promised. Earlier in the campaign the Scots won 2-1 in Belarus, but with Kim Little leading the team everything would be fine. The game itself almost went to plan, lots of possession and shots on goal it was a matter of time... but it wasn't to be just the way football works sometimes, the better side not getting the breaks and a keeper on top form... then the sucker punch, a mistake at the half way line and a wonder strike and we were 0-1 down, however the equaliser before half time from Erin Cuthbert set up a, surely straight forward 2nd half, but more of the same however Erin was on hand to get the Scots the deserved win, however the lack of goals to help the goal difference may signal another disappointing campaign. The 2nd placed teams go into a play off, however it's a best of that will be

involved and just our luck we'll miss out, apologies in advance of course we want Shelley's girls to go through but as we always seem to roux the men's luck likely outcome is on the cards I'm afraid.

Team wise with Anna now gone to pastures new, Shelly Kerr has the reins, any difference on the evidence of the Poland game at St Mirren and this game I would like to think so, fitter, faster, grounded that was the promise from our new management, Shelley was a fierce critic of Anna certainly on the TV coverage commentary, also a relook at the youth set up and the introduction of a Scottish version of England's DNA was going to revolutionise the game north of the border, hey it maybe too early for that to filter through. But lucky v Poland was an understatement, missed penalty and sending off helped, but Shelly knows you need to have the breaks to succeed, unlucky against Belarus... the Euros may well be the time to judge the new regime, but some changes haven't made any significant difference so far, for the sake of the our country lets hope that the male design isn't followed by the women's set up but fears that it has..

Mark joins the Scottish Women's LMC

The League Management Committee for SWF position has been offered to our very own secretary Mark L, respected throughout the leagues I'm sure the club vote for the 6 candidates wasn't close... anyway how Mark will find the time only he will know, but I've no doubt that Mark will be a fantastic asset to the LMC. I'm sure you'll all congratulate him next time you see him. Well done Mark.

Our Visitors — Aberdeen

The 'Dons' have found life in SWPL 2 difficult since last season relegation from SWPL 1, a new manager and a new batch of players are hoping to stop the drop into the SWFL. However 2 wins in 11 games will be a cause for concern for the talented northern club.

Our annual visit to Holytown Colts tournament was another successful day for our teams, the 13's won the Lookers Shield, with each section 9/11 and 13's had a Central side with 100% record. These events are crucial in terms of playing new sides and gauging our progress. Holytown run a fantastic event and needless to say we will be there again next year.

Inside the Bootroom

Inside the Bootroom will give an insight to behind the scenes at Central SWPL team with latest news and stories straight from the coaches and players themselves.

With a couple of weeks off with the International break, training has went well and a good period for rest and recovery. In terms of the squad we are almost at full strength, Megan Gallagher is off in India doing her charity bit, well done Megan. Also missing is Sarah King, both will miss tonights and the Hearts game on the 24th June.

Jessica our SWFL keeper broke her wrist, at Regional training a blow to Jess and the club and we wish her a speedy recovery.

EUHV lost their keeper to, we are told a motorbike accident breaking her arm, another talented keeper and a massive loss for the Capital side. We were due to play EUHV on the 10th June however given the injury they asked for a re-schedule game, the LMC decision went in favour of EUHV and has been recast to the 8th August, to be fair the EUHV they didn't give the League a reason of why the couldn't play, despite being asked for one but given light of the 3 game trialist rule and the injury to the keeper it was in their interest to give themselves as much time as possible to fill the position, desperate times call for desperate measures, however honesty would have been a better tactic by our league rivals rather than smoke and mirrors, we maybe naïve but not that much we didn't see right through their excuses and ramblings through emails.

The CYP Internationalists are due to be announced we have 5 girls in the final 15's and 17's squads who are due to play Wales at the beginning of August, confident that we will continue our annual selections to the squad for a 4th year.

Katie our 15's keeper has been given a senior dispensation which will allow her to play for the SWPL team tonight v Aberdeen, with Sarah unavailable and Jess our SWFL keeper out with a broken wrist. Katie has performed well with the NPL side and we are confident that she'll do well, typical of Katie she is ready and willing to take on any challenge and this will certainly be her biggest challenge to date, Katie will also be between the sticks on Sunday when we are due to face Hearts.

The SWFL side have been hit hard with a player placement issue, in the SWFL Div 2 side we played underage players although a dispensation will be authorised we jumped the gun. The wins we recorded have been reversed and although Central are looking to develop players and in no way have tried to cheat we have had our 3 wins with 13 year olds played

quashed, says more about the opposition or maybe our talented girls that we won.

Central News More silverware arrived at the club courtesy of the 13's the

Lookers Shield, played at the impressive Holytown Colts complex. The Legends won all their games, with the 13's doing well with weakened squad, the Futures had a tough day result wise but Mark was looking at new formations. Another 100% day for the 11's who were impressive in all their games, the 9's 2 teams were excellent considering that two 5 years old and a 4 year old were competing it was a pleasure to see the effort they put in.

Around the youth leagues and cups we have some successful to report, the youth teams play a pre-summer league and come August the leagues will be re-set, taking into account pre-summer league positions to seed the teams, basically into a Performance League and Regional league. The 13's have progressed to the League Cup 1/4 finals and face Falkirk at the weekend (23rd June), the Legends likewise have progressed to the 1/4 final and face Clydebank (18th Aug). In the Scottish Cup the 15's faced Rangers however lost out in a game the side never got going, however with the league campaign to focus on the girls bounced back with a 3-2 victory over Hearts on Monday to put them in fourth and very much in the hunt for the National Performance League.

The Legends won their last 16 tie and go into next round with a 5-1 win over the 13's, the draw due tomorrow (21st June) has a number of good sides remaining however none will look forward to drawing Central.

On the League front the Legends will secure the Fiona Brown 13's League title if they defeat Riverside tomorrow (21st June) a tremendous season is developing for the Legends however the hard work will need to continue if the silverware is to come in.

CYP Scotland squads were announced for the 15's and 17's squads were announced and we are pleased to report that Kate Nicholson, Eva Grey, Louise Forrester, Elvie McLean for the 15's and Cerys Gilbride for the 17's were selected and will face Wales on the 4th August a fantastic achievement, the girls join 8 previous Central Girls to make the squad. Of course the process so other girls missing out, but a comment about our girls and their commitment and effort while at the trials was very positive, a well done all for representing Central and yourselves in such a positive way.

The Monument Walk went off well last week and with over 150 walkers a tremendous turnout, pictures of the Walk from Bruce photographer and from the Drone in the sky Camera will give us the best ever coverage all will be available to see at Inchyra soon.

Also on the picture front we have ordered a club picture to show all the teams which will be placed in Inchyra in the next couple of weeks, hope you all managed to see and get a picture of your youngster, great quality and an excellent layout of the teams. We will also have a video for Academy promotion to be used on social media. Thanks to Club Legends for a great standard of organisation and for the pictures produced.

We have also secured the services of Jodie who will as the club photographer build up a file of action shots of every girl at the Academy.
